## Presentation of Christ in the Temple February 2nd

The feast of the Presentation is one of the oldest feasts of the Virgin. At Rome in the seventh century it ranked after the Assumption. It is the last one in the Cycle that shows any connection with Christmas: Mary, wishing to obey the Mosaic law, had to go to Jerusalem forth days after the birth of Jesus (December 25- February 2) to offer the prescribed sacrifice. Mothers were to offer a lamb, or if their means did not allow, “two doves or two young pigeons.”

The wax of the candles signifies the virginal flesh of the Divine Infant,” says Saint Anselm, “the wick figures His soul and the flame His divinity.”

The Presentation on which the mother of the Savior was not obliged to confirm, as her motherhood was beyond ordinary laws, is not placed in the foreground by the liturgy and the Presentation of Jesus is the principal object of this feast.
