The organization offers free residential addiction recovery programs, which include 12-step meetings, lectures and workshops. Please welcome our visitors.

THE MOVIE UNPLANNED

Bishop Gregory sends his recommendation for adult parishioners to view "**UNPLANNED**", the inspiring true story of one woman's journey of transformation. All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in thousands of abortions. Her passion surrounding a woman's "right to choose" even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in until the day she saw something that changed everything, leading her to join her former enemies at 40 Days For Life, and become one of the most ardent pro-life speakers in America.
