THE CALL OF THE DESERT

St. Sharbel: God's Gift to the Modern World

THE BEST INTRODUCTION TO ST. SHARBEL AVAILABLE IN PRINT.

WRITTEN by
CHOR-BISHOP Joseph Eid,
VICE POSTULATOR FOR
ST. SHARBEL'S BEATIFICATION,
AND AMPLIFIED by THE WRITINGS
of ARCHBISHOP FRANCIS ZAYEK.

Let the wilderness rejoice,
and the desert shall flourish like the lily.
It shall bud forth and blossom,
and shall rejoice with joy and praise:
the glory of Lebanon is given to it.

ISAIAH 35:1-2

This is a new edition of Chor-Bishop Joseph Eid's book on Saint Sharbel, first published in 1955, but now in its third and updated edition. In addition, it has been expanded with the writings of Archbishop Francis Zayek, founding Bishop of the Maronite Eparchy in America.

The popular awareness and knowledge of Saint Sharbel are significantly wider these days than they were in the years when Msgr. Eid first put pen to paper in order to present the holy hermit to the English-speaking world, but his work remains the best introduction in print.
